The ACLD SCHOOL & LEARNING CENTER, a not for profit 501(C3) organization, has provided support services to learning disabled individuals in Youngstown and surrounding communities for over 30 years. The services consist of evaluation for diagnosis, tutoring, parent advocacy, parent education and a full day school for children who are unsuccessful in traditional school environments. Funds raised through this event will allow the ACLD SCHOOL & LEARNING CENTER to increase and enhance services, especially to children from low income families who are unable to afford specialized assistance.
